

P422 - TPR Half Mask Kit (with P3 filters)

Collection: Respiratory Protection

Range: PPE

Materials: Thermoplastic Rubber

Outer Carton: 8

Product information

Experience superior protection and comfort with our premium half mask, crafted from durable and flexible thermoplastic rubber. With dual bayonet filter connections, this mask offers optimal weight balance and an expansive field of vision. Its ergonomically designed head harness ensures maximum comfort and reduced pressure, while ABS filter holders and frontal exhalation valve provide superior protection. Available in two sizes for a perfect fit, this mask is quick and easy to disassemble for cleaning. Supplied ready to use, pre-fitted with P3 filters. Packed in a resealable retail bag for hygiene.

Respiratory Protection

The Portwest industrial range of disposable and reusable respirators includes Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN149 (Particulate Filtering Half Masks), EN140 (Half Masks) and EN136 (Full Face Masks). Complete with a full range of interchangeable filter options on the Half and Full Face Mask styles.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
